

Hunters Wallet

\$20.00

Hunters Wallet. Big Enough for needful things - license, ID, credit card or 2 or 3, hidden slip for some "get-out-of-jail" green backs, small enough to not know it's there. Great for front pocket carry or a shirt pocket. Not meant to be a file cabinet. Hard Hunters Only. Wallets are personal things for men. This isn't meant to replace our everyday wallets (However, I use mine permanent.) but is intended to take important things into the "back of beyond. \$20 plain \$25 with basket stamping, no charge for personal initials.
